XPLANE | Dachis Group is uniquely qualified to bring understanding to complex subjects by creating learning experiences that match message to meaning. A variety of tools, on- and offline, are used to reach business objectives. Our blended learning programs include template-driven courseware, reusable learning activities, social media applications and custom e-Learning courses.

Campaign options could include:
+ Discovery sessions
+ Interactive experiences
+ Learning posters
+ Animated learning modules
+ Social media tools
+ Learning activities with discovery cards
+ e-Learning with testing component
+ Instructor-led classroom training
