XPLANE BRINGS CLARITY AND ALIGNMENT TO STRATEGIC PLANNING – ALL THE WAY THROUGH IMPLEMENTATION

Many companies have a strategic plan, but it's rare that it is clearly understood and acted upon, company-wide. Through a unique combination of consulting, research, social media technologies and visual communication tools, XPLANE | Dachis Group brings your vision to life.

XPLANE solutions align the management team on strategy and we create tactical roadmaps for implementation, empowering all employees with a clear understanding of the corporate vision.

Campaign options could include:

- + Discovery session: Vision alignment
- + Strategy workshop with executive team
- + Social business applications
- + Napkin sketches: Mission / values / vision
- + Vision / mission tools and applications
- + Current state / future state tools and applications
- + Company workshops
- + Webcasts
- + Company workshops
- + Internal web site
