

CASE STUDY: PRINCIPLE ONE

# How can talent be attracted and retained?

Industry: IT Services Deliverables: Employee Development Path Presentation

## Where do we start?

### VISUAL TOOLS CLEARLY DEPICT STEPS TO BECOMING MORE EFFECTIVE EMPLOYEES.

Talent and career development are key to driving exceptional service in the technology industry. XPLANE created a succinct and compelling presentation for Principle One to convey the company's career paths to employees.

Success in performance starts with the right mix of knowledge, skills and behaviours from the very first step, the selection process
