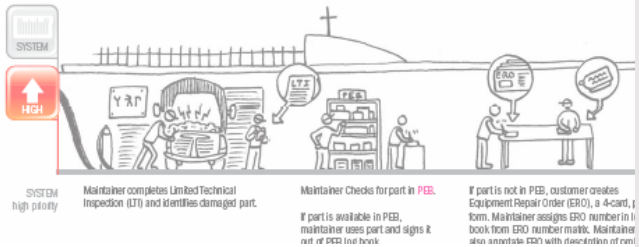
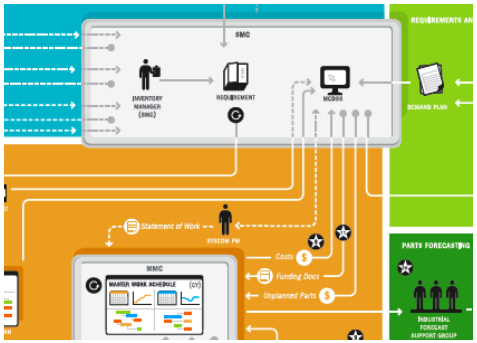
XPLANE SOLUTION

# Process Improvement





# Improve your efficiency to generate results

Process change is difficult. To overcome objections and build momentum for change, companies turn to XPLANE to define the current state, envision the desired future state and develop a campaign to drive the identified improvements.

**CAMPAIGN OPTIONS INCLUDE:**

+ Discovery sessions to establish current state and desired future state
+ Current and future-state poster
+ Illustrations
+ Roadmap XPLANATiON
+ Presentation (such as PowerPoint, webcast and/or illustration) of the value and benefits of initiative – highlighting the future state
+ Blended learning program
